PRESIDENT'S MESSAGE

Good Morning Base Stations, Patrols, and Area Coordinators,
 With the warmer weather and more nighttime activities, we've received inquiries about using golf carts/low-speed vehicles for patrols. While there's currently no specific transportation preference, we advise caution when using standard golf carts as Rotonda West is not a gated community and the RWA does not own the roads; using a non-street-legal golf cart could result in citations from CCSO. Low-speed vehicles (LSVs), such as "converted golf carts" that meet street-legal requirements, are permitted for patrol. For your awareness, street-legal LSVs must have features like a DOT windshield, seat belts, a horn, and turn signals, among other requirements. Please ensure your LSV is equipped with your neighborhood watch flashing light and clearly displayed signs. You can find detailed information on LSV regulations at <https://www.flhsmv.gov/safety-center/consumer-education/low-speed-vehicles/>.

If you want to see what a converted golf cart to LSV looks like, let me know I can show you ours.

Lastly, Happy Father's Day...

With Respect and Appreciation,

David W Perry

President

THANK YOU
Volunteers!
 We couldn't do it without you

From the Vice President: Patrol Information for April

- 1 night without patrols (Easter)
- 4 nights with one.
- 11 nights with two.
- 10 nights with 3.**
- 4 nights with all 4.**

"Thank you patrols and bases! Our only night with zero patrols was Easter Sunday. And of 75 scheduled patrols, only 3 were vacant with cancellations. With-

out the dedication and volunteer spirit of each patrol and base, Neighborhood Watch could not be this successful!"
